EDUCATION

B.Tech in Computer Science and Engineering (AIML) — AKTU	2023 – 2027
2023 – 2027	CGPA: 8.3
Class 12th (UP Board)	2021 – 2022
2021 – 2022	Percentage: 74.8%
Class 10th (UP Board)	2019 – 2020
2019 – 2020	Percentage: 84.17%

TECHNICAL SKILLS

Languages: Java, JavaScript (Basic)

Backend: Spring Boot, Spring MVC, REST APIs, JPA, Hibernate

Database: MySQL

Web Technologies: HTML, CSS, Tailwind CSS, Bootstrap

Tools: Git, GitHub, Postman

IDEs: IntelliJ IDEA, VS Code, Spring Tool Suite (STS), Eclipse

EXPERIENCE

Trainee — Smart Programming	Jan 2025 – Mar 2025
Jan 2025 – Mar 2025	Remote

- Completed hands-on training in Spring Boot, including MVC, JPA, Hibernate, and REST API development.
- Developed projects such as an Authentication System, CRUD APIs, and an Email Service using Spring Boot and MySQL.
- Gained experience in API testing, database integration, and backend architecture fundamentals.
- Certificate: [View](#)

PROJECTS

1. CRM – Student Management System Java, Spring Boot, MySQL 	GitHub	June 2025 – July 2025
--	---------------	------------------------------

- Developed a full-stack CRM system for managing students, courses, payments, and role-based dashboards using Spring Boot MVC and JPA.
- Implemented secure authentication, CRUD operations, and optimized MySQL queries for efficient data handling.

2. Student Result Management System JSP/Servlet, MySQL 	GitHub	May 2025 – June 2025
---	---------------	-----------------------------

- Built a secure result publication platform with admin and student portals for viewing and downloading results.
- Implemented result generation, validation, and relational database design using MySQL.

3. MoneyManager (Monetric) Spring Boot, MySQL 	GitHub	Aug 2025 – Ongoing
--	---------------	---------------------------

- Developed a finance tracker for managing income, expenses, categories, and budget analytics using RESTful APIs.
- Planned integration of AI-driven insights for predictive budget recommendations.

ACHIEVEMENTS

- Secured **3rd Position** in the ScholarHat Hackathon .
- Solved **200+ problems** on LeetCode .
- Achieved a **1200 Contest Rating** on CodeChef .

CERTIFICATIONS

• Problem Solving (Basic) – HackerRank	<i>Dec 2024</i>
• Java (Basic) – HackerRank	<i>Jan 2025</i>
• Spring Boot Framework – Smart Programming	<i>Nov 2025</i>

EXTRACURRICULAR ACTIVITIES

- Active member of the Coding Club (Ardema) at ABES Engineering College.
- Regular participant in gym and fitness activities.
